

WANT TO WRITE FOR ITP?

YOU ARE A GOOD FIT IF YOU:

- Already attend a lot of dance performances, or are trying to attend more
- Are willing to do the brief research necessary to include names of dancers, name of costume designer, etc. in your articles
- Are not a full time choreographer who is highly invested in a certain style of dance
- Have basic understanding of the dance world at large (we suggest that you use comparison when offering opinions ((ie. The physicality of the piece reminded me of xx company))
- Are ready to take Atlanta's arts scene to the next level!
